

Pieces of Our Past

Music and Lyrics by Griff Sanford

(Capo 2)

V1

 C
We know it's over
Am
Or at least I do
 F
I'm already missing you
 G
Again

 C
We can't keep going
Am
But you just don't know
 F

I'll have to tell and show you,
 G
But then you'll say

CHORUS

F G Am
But we were so good together
 F
For so long
 G Am
How is it over?
 F
Don't we belong
 G
Together?

V2

 C
Every day you sit there
Am
In that same old chair
 F
Ignoring how we've ended
 G
Holding to what can't be
mended

 C
We can't keep going
Am
It's over and I know
 F
I will have to tell and show you,
 G
And then you'll say

CHORUS

F G Am
But we were so good together
 F
For so long
 G Am
How is it over?
 F
Don't we belong
 G
Together?

BRIDGE

 Am
We've run our course
 G
We've had our fun
 Am
It's over now
 G
Let's just be done
 F
'Cause it takes two
 C G Am
And we're one and one
 F
It's over now
 G
We are done

V3

 C
The magic's dying
Am
I see it turn to dust
 F
Our love has turned to rust
 G
And you don't see
 C
I can't pretend now
Am
The dark is drawing near
 F
I know that you don't hear
 G
And then you say

CHORUS

F G Am
But we were so good together
 F
For so long
 G Am
How is it over?
 F
Don't we belong
 G
Together?

V4

 C
You're holding on
Am
To pieces of our past
 F
We were not made to last
 G
It's time to go

 C
You're holding on
Am
To what we used to be
 F
I can't be who you need
 G
It's time to go

CHORUS 2

F G Am
I'm not sorry that I loved you
 F
For so long
 G Am
But now it's over
 F
Let's be strong
 G
It's time to go
Am
It's time to go
