

# The Road to Nowhere

by Griff Sanford

(Capo 4)

V1

C D Em Em7  
Alice told me tales of how she used to be  
Am7 D Em Em7  
A little girl escaping to where none can see  
C D  
She said that she found Wonderland  
Em Em7  
and told me true  
Am7 D  
She told me just exactly what I have to do

V2

**Dorothy** said **how** the road leads ever on  
Holding to your friends as you are ever drawn  
Toward the Emerald City and the witches' lair  
Maybe you are walking into Nowhere

CHORUS

Am7 G  
Time to go to sleep; it's time for bed  
Am7 Em Em7  
Time to go and rest your weary head  
Am7 G  
Time for slumber, now it's time to dream  
Am7 D  
Time to let it go

Am7 G  
Time for you to find the road to Nowhere  
Am7 Em Em7  
They'll tell you all about it, but it's never there  
Am7 G  
Time to find the wind, the door, the mirror bright  
Am7 D  
Time for you to go

V3

Lucy told me of the lamp-post in the wood  
Where once a tree of purity had grown and stood  
She couldn't tell me more than that, she said to me  
We all must find our own way to the shining sea

V4

Meg and Calvin told me of the tesseract  
Such a scary name for such a simple act  
It took them to the deepest, darkest ways of space  
But both of them were yearning for a better place

CHORUS

V5

Time runs faster as I grow and change  
Childhood runs behind me, oh, it's very strange  
**Sometimes** I see the Cheshire smiling from a tree  
**Sometimes** I just don't know what to make of me

V6

I'm never sure if it is real or just a game  
They chase the white stag down, so I will do the same  
A rabbit hurries past me in a rushed affair  
Will I ever figure out the road to Nowhere?

CHORUS

Time to go to sleep; it's time for bed  
Time to go and rest my weary head  
Time for slumber, now it's time to dream  
Time to let it go

Time for me to find the road to Nowhere  
They tell me all about it, but it's never there  
Time to find the wind, the door, the mirror bright  
Time for me to go

OUTTRO

Am7 D  
Time for me to go  
Am7 D G  
Don't look for me, it's time for me to go

(end: G Em Em7 Am7 D G)
