

Leto's Oath
by Griff Sanford

(Capo 4)

V1

Am F G E E7
Oh, Jessica, my Jessica, what would you have me do?
Am F G Am
Oh, Jessica, my Jessica, I have to hide from you
Am F G E E7
You'll never know the pains I take to keep you at my side
Am F G Am
We dare not wed, but share my bed, if I must take a bride

CHORUS

F Am G Am
If only I could find a way to keep you safe and well
F Am E E7
If only I could find a way to keep you both from hell
F Am G Am
If only I could keep you safe, traditions all be damned
F Am E E7
If only I could hold you in my hand

V2

Oh Jessica, my Jessica, the men must think you spy
Oh Jessica, my Jessica, I hate I have to lie
To them and you, to everyone, and even to our boy
I will confess, don't think me less, it's just a damned ploy

CHORUS

BRIDGE

F G Am
The storms are coming sooner than we realized
F G E
The storms are coming sooner than we know
F G Am
Stay with me and brave tradition's yearnings
F E E7
Stay with me so you will never go

V3

Oh Jessica, my Jessica, it will be over soon,
Oh Jessica, my Jessica, the Empire's sorry boon
Has brought this war, and nevermore will I obey again
We'll make it through, I'll marry you, and curséd be his reign!

CHORUS

OUTTRO

In my hand
(Am F G Am)
