

Whenever You're Ready

by Griff Sanford

(Capo 4)

V1

 A F
We all wonder just what comes after
 G A
Is heaven a haven as well?
 A F
Or will we pay for how we lived
 G A
In the place most people call hell?

Will we all be eternally happy?
Will we all be forever sad?
Is there any way to know before
Whether after is good or bad?

Chorus

 F G
Life only makes sense if it has an end
F E
Meaning shows up when we're through
 F A
It's okay not to know what's waiting
 F G A
It's okay that we don't have a clue

The joy exists in the mystery
Not knowing, we still kind of know
When we finally complete our journey
We'll know when it's time to go

V2

Eternity is eternal
There's only so much you can see
And do and think and try and play
Until you're full of ennui

Put a frame on it; add a border
Add a start and a finish line
When you're ready, you will know it
You'll go through the door and be fine

Chorus

Bridge

 F G
We wonder and ponder, but we'll never know
 F E
What the real ending is to this mystery show
 F G
We don't have a clue what is waiting out there
 F E
We don't even know if it's something we share

V3

Journey, not destination
And when you're finally done
You might become the still, small voice
That lives in everyone

You'll know when you are ready
To just no longer be
The water changes its form again
And the wave returns to the sea

Outtro

 A F
You'll know when you are ready
 G A
To just no longer be
 A F
The water changes its form again
 G A
When the wave returns to the sea

 F G A
The wave returns to the sea
The wave returns to the sea
The wave returns to the sea
