

Built on Hope  
by Griff Sanford

4/4, no capo, slower strumming

V1

Am G  
Rebellions are built on hope  
F E E7  
Not on heroes or on hate  
Am G  
Rebellions are built on hope  
F E E7  
Not on friendly fire or fate  
F G Am  
Rebellions are built on hope  
F E E7  
They stand before tyranny  
F G Am Em  
Rebellions are built on hope  
F G Am  
They rest on you and me

V2

Rebellion is built on hope  
Rebellion is built on now  
On all of the moving pieces  
On all of the what and how  
Rebellion is built on hope  
Rebellion is built on trust  
On people acting together  
And doing what they must

CHORUS

F G Am Em  
We'll take the chance that comes to us  
F E E7  
And the next, and the next one too  
F G Am Em  
We will keep taking chances  
F E E7  
Till we win or we are through

V3

Connection is built on hope  
On friendship and trust and pain  
Connection is built on hope  
And struggle and loss and gain  
Connection is built on memory  
On those we have known before  
Rebellion is built on connection  
To those we're fighting for

V4

Dedication is built on hope  
On belief in a better way  
Dedication is built on hope  
On a new and better day  
Dedication is built on justice  
On truth and faith and sight  
Dedication is built on knowing  
We are warriors of the Light

CHORUS

V5

Rebellions are built on hope  
On faith and truth and zeal  
Connection is built on hope  
On finding what is real  
Dedication draws us together  
To build a ray of light  
Rebellion, connection, and honor  
To fight for what is right

CHORUS
