

Luthen's Sacrifice
by Griff Sanford

Capo 3
6/8, moderate-quick fingerpicking

V1

Am E
My mind is a space without sun
Am E
My soul is a place without light
F G Am
I'm always ready to run
E Am
I always will go to the fight

V2

I'm using their tools for the good
Although I have sold off my soul
I did all I can, all I could
For a far and unreachable goal

CHORUS

F G Am
I yearned to be a savior; I didn't count the cost
E Am
I fought against them all my life, and now my life
is lost
F G Am
I burn to make a sunrise that I know I'll never see
E Am
I fight for those who will not fight for me

V3

You ask what I sacrifice
You think I have nothing to say
I've sacrificed kindness and kinship and love
I've given and how I will pay

V4

Don't ask me what I have abandoned
Trust me, you don't want to know
What I've given, you cannot
And I can never show

CHORUS

V5

You ask me what I gave
As if there were a way
To count it up or break it down
I have no words to say

V6

To show you what I have given
To tell you what I have done
I cannot even speak of it
I'll tell those things to none

CHORUS 2

I've set my life on fire for other people's pain
I've sent my soul to darkness and the coming of
the rain
I've sent my joy away to find a world that's fresh
and new
And I did it all, I do it all for you

CHORUS

OUTTRO

I fight for those who will not fight for me
I fight for those who do not fight for me
I fight for those who cannot fight for me
