V1

Am Em
Ba'jur for your learning
Am Em
Train your mind and soul
F G Am Em
Do not be led to lesser thought
F E
See and learn and know
Am Em
Have hold upon your knowledge
Am Em
Learn, take in, renew
F G Am Em
Pass it to the children
F G Am
Bring them after you

CHORUS

Beskar'gam, the armor
Sacred and sublime
Piece it all together
Over years and time
Journey to the armorer
Tell them of your quest
They will craft your armor
And tell you what is best

CHORUS

Ara'nov and aliit,
The people of the Way
Defending of the helpless
Defending of the day
Secrets are survival
Keep us all unseen
Keep the people closer
Hide where we have been

CHORUS

Mando'a bal Manda'lor
Our language and our chief
Know them both, but speak them not
Candor is a thief
Keep them in your heart alone
Speak of them with tribe
Do not betray outside the Way
For gold or wine or bribe
