Verse 1

 Dm7
He has your eyes
 Am
He has my soul
 Dm7
Best for both of us
 Am
You did not know
 Dm7
He is your son
 Am
He is my life
 Dm7
And when I left you
 G Am
We left your strife

Verse 2

When the news came
I could not cry
You are a hero
I will not lie
I will not tell
Him of the cost
I will not tell him
How great our loss

CHORUS

 Dm7
I knew they needed you
G Am
More than you need me
 Dm7
I knew you wanted us
G Am
More than you could see
 Dm7
I had to leave you
G Am
So you would go
 Dm7
And be the hero
 G Am
I had come to know

Verse 3

And you did things
I could not know
You could not share
I could not go
You gave me peace
That mission day
When we stopped him
And made him pay

CHORUS

Verse 4

You were a spy
A warrior calm
You were a killer
Without a qualm
You took your chance
And took again
And took another
Until your end

CHORUS

OUTTRO

Now you're the hero
I had come to know
